PRESS RELEASE

For Immediate Release

Milwaukee River Basin Rain Garden Fair

The University of Wisconsin-Extension Basin Initiative is hosting a Rain Garden Fair on June 11, from 6:30 to 9:30 pm at the Muellner Building in Hart Park, 7300 Chestnut Street, In Wauwatosa. The fair is free and open to the public.

The event is designed to connect people who want to learn about rain gardens with individuals who will share their knowledge and experience designing and installing rain gardens. The Fair will feature educational presentations, resources on how to install stormwater reduction practices at home or work, and exhibitors to help design and install rain gardens and other water-conscious landscape features such as rain barrels.

Sharon Morrissey, UWEX Consumer Horticulture Agent will speak on the Mechanics of Creating a Rain Garden at 7:30 pm followed by a presentation by Nan Calvert, native plant expert and the Root River Area Chapter Wild Ones President, who will discuss selecting plants for rain gardens.

For more information contact Gail Epping Overholt, 414-290-2434.
