

New This Year!!!

The biggest Giant Pumpkin will be displayed in the Horticulture Pavilion. Who would not want to see for the first time in Milwaukee pumpkins that weigh over 1,000 pounds. ...And the biggest will be displayed near your booth.

Giant Pumpkins At Nekoosa

The attendance at the 2008 fair was estimated at over **60,000** for the three day event!

Outdoors at Harvest Fair

The Milwaukee County Fair Association with the cooperation of the Milwaukee County UW Extension Service organizes this free family event. The Milwaukee County Fair provides an opportunity for our residents to showcase their projects in the open class exhibits; provides the Milwaukee County Extension Service and its partners a venue to interact with the public; and provide timely research based information to help families succeed .

Sponsorships Available:

If you or your company would like to sponsor an event at the fair please contact us and we will provide more information.
